

# Tiber Gardens

Groundwork are working with Homes for Islington and Islington Council to consult with residents and users as to how they would like to see Tiber Gardens improved. Tiber Gardens is between York Way and Treaty Street along Regent's Canal.

Tiber Gardens has become run down, has suffered from anti-social behaviour and appears to be little used by the community. However, it is a valuable open space in a good location along the canal. Some funding has come available as a result of the new development nearby for the gardens to be improved.

Please take a few minutes to look over this questionnaire and let us know what you think. Your opinion is valuable in deciding how Tiber Gardens could be improved.

**You are invited to a walkabout in Tiber Gardens on  
Sunday 27th January 1.30-2.30pm**

**Please return this form to Groundwork in the Freepost envelope provided  
by Friday 25th January.**
